Emergency Contact

CHEMTREC: +1 800-424-9300 (US) / +1 703-527-3887 (Int'l)

2 - Components / Components Information

Composition

Glycolic plant extract.

INCI

PROPYLENE GLYCOL
CHAMOMILLA RECUTICA FLOWER EXTRACT

CAS

57-55-6
84082-60-0

EINECS

200-338-0
282-006-5

3 - Risk Identification

None in normal use.

4 - First Aid

After inhalation

Inapplicable

After skin contact

Rinse with running water

After eyes contact

Rinse with running water (10 minutes), if necessary, take ophthalmological advice.

5 - Measures against Fire

Adapted extinction means

Moss, extinction powder, carbonic anhydride, vaporized water.

PRODHY-EXTRACT® MATRICAIRE PG

Exinction means not to use for safety reasons

None.

Particular risks due to the product explosion, the combustion products, the produced gas

None

Special protection equipment for the persons in charge of struggle fire

No special measures.

6 - Measures after Accidental Dispersion

Individual precautions

Avoid the contact with skin and eyes.

Environmental protection

Do not flush away

Method of cleaning / adsorption :

Mix with an adsorbent the liquids material (sand, peat, sawdust).

7 - Handling and Storage

Handling

Avoid opened flame

Storage

In a fresh area, in the original packaging.

8 - Control of the Explosion / Individual Protection

Measures allowing the exposition reducing

No particular measure.

Limit value to control on the place of work

None

Individual protection

Eyes protection: goggles

9 - Physical and Chemical Properties

Appearance	Liquid
Colour	Yellow brown
Odour	Weak
pH	4.0 - 5.5
Density at 20°C	1.05 about

PRODHY-EXTRACT® MATRICAIRE PG

10 - Stability and Reactivity

Conditions to avoid

None in normal use.

Material to avoid

None in normal use.

Decomposition products

If conformable use, none

11 - Toxicological Informations

Data unavailable.

Based on raw materials contained in the product (particulary : the propylene glycol) and/or ingredients with comparable structure, the toxicological data are as follows:

Oral toxicity	(OCDE 401)	20.000 mg/Kg.
Skin irritation	(OCDE 404)	non irritating.
Eye irritation	(OCDE 405)	non irritating.

12 - Ecological Information

Data unavailable.

Based on raw materials contained in the product (particulary : the propylene glycol) and/or ingredients with comparable structure, the toxicological data are as follows:

Biodegradability :		
Test Zahn Wellens	CE 88/302	> 99,9 %
Coupled Units Test (simulation)	OECD 303 A	> 99,9 %
Test in closed bottle	OECD 301 D	73 %

13 - Considerations about Waste Disposal

Incinerate in an agreed installation.

14 - Information about Haulage

Non concerned product by the regulating of dangerous materials haulage.

PRODHY-EXTRACT® MATRICAIRE PG

15 - Regular Information

Classification and labelling according to the decrees about health and safety data elaboration and transmission modalities.

Danger symbols

No identification obligation.

Phrase R

Inapplicable

Phrase S

Inapplicable

16 - Other Information
